CAMARO

1987

Visually stunning, physically exhilarating, artfully balanced. New refinements, new options and four distinct flavors of driving excitement. This is Camaro for 1987.

CAMARO PERFORMANCE. Camaro is a driving energy, untamed and seeking challenge at every turn. Get inside one and listen to your heartbeat.

Chevy Thunder is what you'll hear. And lightning is not far away.

- Engines such as the standard 2.8 Liter V6 with Multi-Port Injection (MPI) and the optional 5.0 Liter V8 with Tuned-Port Injection (TPI) offer you some of the world's most advanced fuel-management systems.
- Five-speed manual transmission is standard on all Camaro models.
- Camaro suspension systems are tuned to each model.
- Eagle GT radial tires are standard on most Camaros.
- Power brakes and steering are standard on all models.

CAMARO STYLE. On roads filled with monotonous econo-boxes, Camaro's svelte curves embody independence. Camaro style is at once sensual and aggressive, but then...aren't you?

- Sleek aero-styling is punctuated by quad recessed rectangular headlamps. Beautiful and effective, the slippery shape of Camaro is regarded by many styling experts to be one of the world's most successful 2 + 2 designs.

- Hot-looking Camaro cast-aluminum wheels, Rally Wheels or full wheel covers, depending on model, are standard.
- Rear hatch with power "pull-down" latch locks automatically without downward pressure.
- Base-coat/clear-coat high-gloss paint process helps resist chipping and fading and provides a deep, lustrous "wet look" finish.
- Bold tricolor tail lamps with amber turn signals are distinctly Camaro.

CAMARO INSIDE.

- Reclining contoured bucket seats cradle you in an environment designed with a singular goal: to put you in full command of the road.
- Optional glove-leather seating surfaces make touring truly grand. (Available with Custom Interior only.)
- The optional high-output Delco-Bose Music System is one of the finest audio systems available in any car.

CAMARO MODELS.

Experience Camaro in one of four ways.

- IROC-Z.** The ultimate Camaro.
- Z28.** An American performance legend.
- LT.** The grand touring Camaro.
- SPORT COUPE.** Pure Camaro, and an affordable price. In the final analysis, Camaro is one of the most exciting combinations of performance and style on the road today. No wonder it continues to be America's best-selling 2 + 2 sport coupe.

CAMARO

IROC-Z

IROC-Z is the ultimate Camaro. This critically acclaimed performance coupe delivers superb response, aggressive beauty and uncompromised driving excitement.

IROC-Z POWER.

- Standard 5.0 Liter V8 with 4-barrel carburetor. Horsepower is 170 at 4400 RPM; torque is 250 ft.-lbs. at 2800 RPM. A 5-speed manual transmission is standard, 4-speed automatic overdrive, optional.
- Optional 5.0 Liter V8 with Tuned-Port Fuel Injection. For the first time, this powerhouse is available with a 5-speed manual transmission. So equipped, horsepower is 215 at 4400 RPM. Horsepower is 190 at 4000 RPM when equipped with the optional 4-speed automatic overdrive.
- Optional 5.7 Liter V8 with Tuned-Port Fuel Injection. 4-speed automatic transmission w/overdrive only. Limited availability. See your dealer for details.

IROC-Z HANDLING.

- IROC Z28's specific tuned suspension provides exceptional cornering power and response. Here's how:
- A modified MacPherson-strut front suspension provides increased caster for precise directional control. A beefy front stabilizer is standard.
 - At the rear, a torque-arm suspension with Delco/Bilstein gas-pressure shocks and stabilizer bar helps put IROC Z28 power to the pavement.
 - Standard P245/50VR-16 Goodyear Eagle GT unidirectional high-performance tires on 16" aluminum wheels help IROC Z28 achieve impressive .88g lateral acceleration on the skidpod.*

IROC-Z STYLE.

- "Ground-effects" body panels and rear spoiler.
- Specific striping and color-coordinated IROC-Z door decals.
- Halogen fog lamps.
- Stowaway spare tire.
- Sport mirrors.
- Rear spoiler with integral high-mounted stop lamp.

IROC-Z CONTROLS.

- Special instrumentation with tachometer, temperature gage, oil pressure gage, voltmeter and trip odometer.
 - Thick leather-wrapped steering wheel and shift lever await your commands.
 - New optional leather seating surfaces give your IROC-Z that glove-soft feel of luxury. (Available with optional Custom Interior only.)
 - An AM radio with digital clock is standard. (May be deleted for credit.)
 - Select the optional high-output Delco-Bose stereo system for more superb high-performance sound.
- IROC Z28 presents a truly unique opportunity for the dedicated performance enthusiast.
*On the GM test track by professional drivers.

CAMARO

Z28

The Camaro philosophy proudly holds up Z28 as its definitive statement—Z28 is everything Camaro is meant to be, only more. Faster, bolder, sexier.

Z28 PERFORMANCE.

- Standard 5.0 Liter V8 with 4-barrel carburetor.
- Optional 5.0 Liter V8 with Tuned-Port Fuel Injection.
- Standard 5-speed manual transmission.
- Optional 4-speed automatic transmission w/overdrive.

Z28 HANDLING.

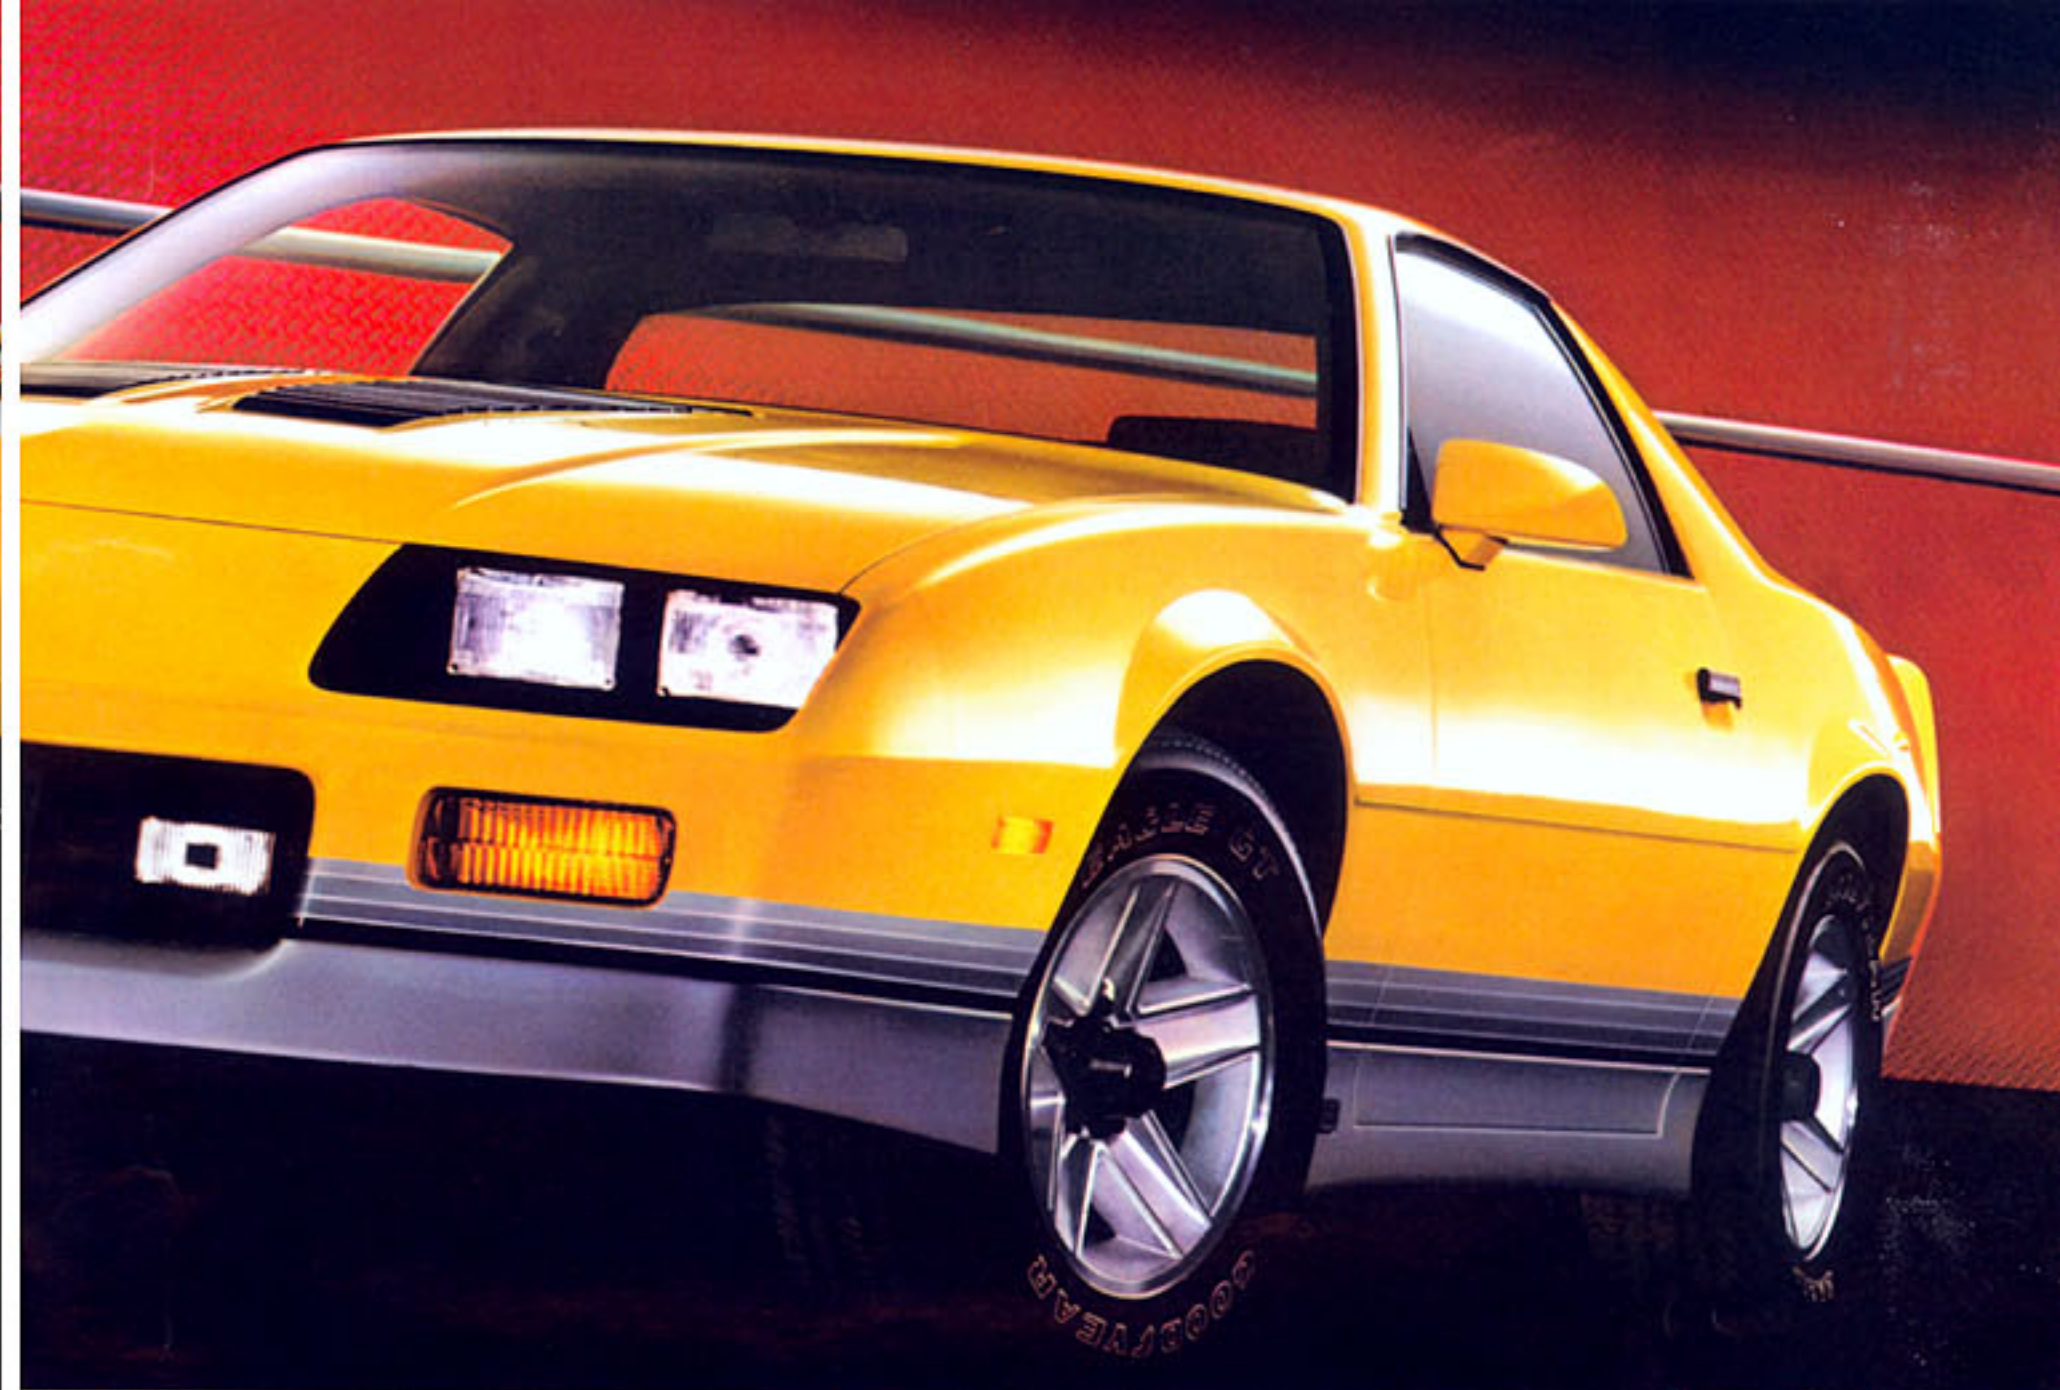

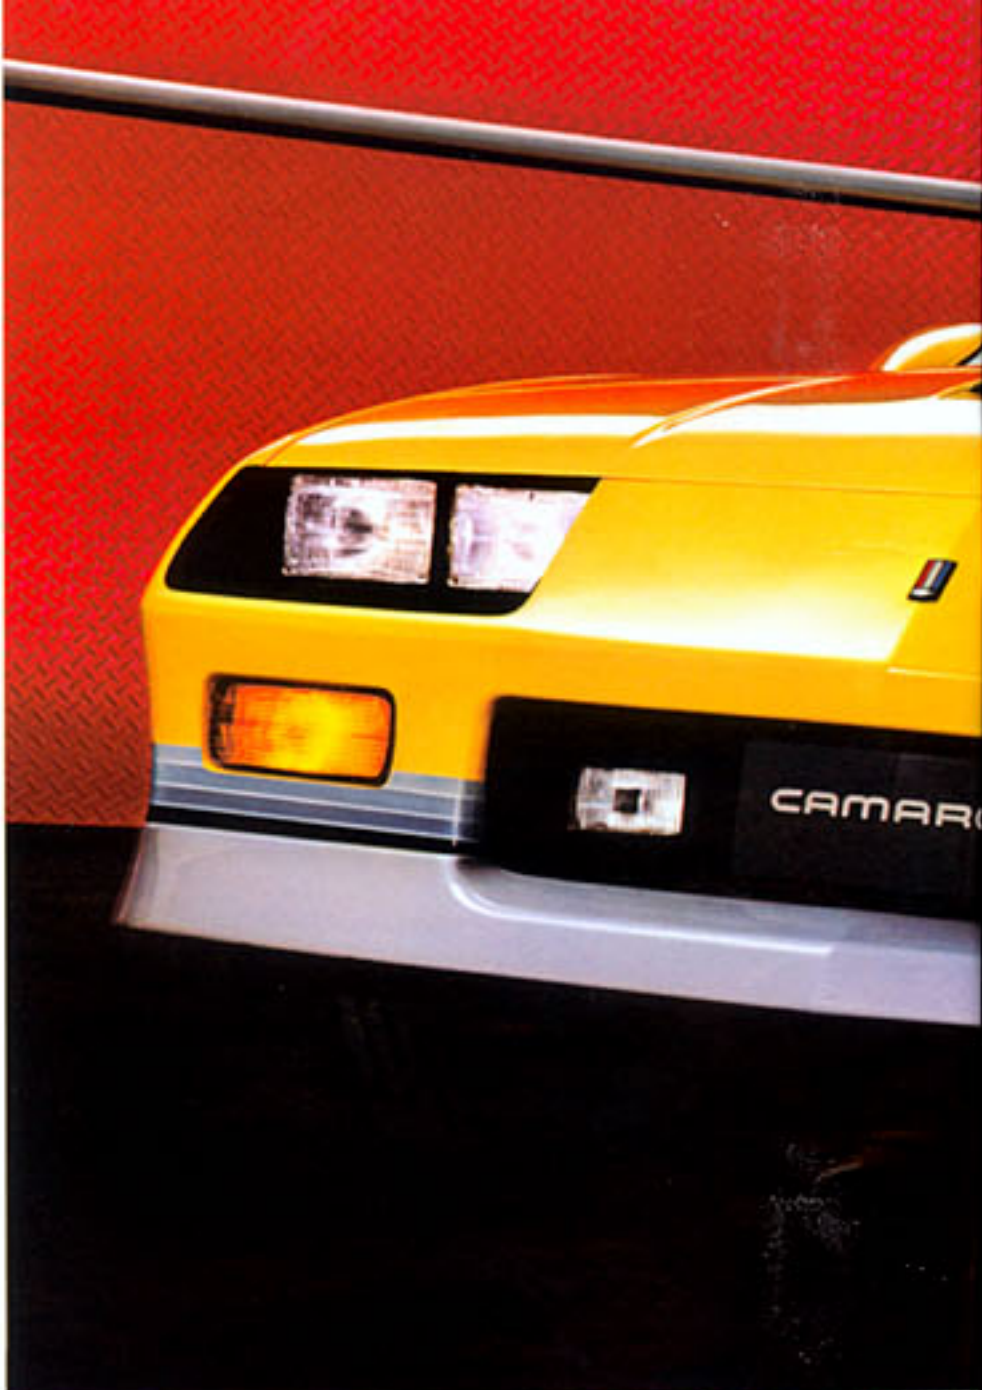

- Z28's acclaimed Sport suspension blends compliance with sports-car control. Componentry includes larger diameter front and rear stabilizer bars, specific spring rates and specific steering gear ratio.
- P215/65R-15 Eagle GT tires on 5-spoke 15" x 7" aluminum wheels are standard.

Z28 STYLE.

- Distinctive front air dam and "ground-effects" rocker molding design.
- Specific multi-color wide accent lower body striping.
- Rear hatch-lid spoiler with integral high-mounted stop lamp.
- Bold front fascia, black grille and simulated hood louvers.

NEW Z28 OPTIONS.

- Glove-soft leather seating surfaces help make this the most luxurious Z28 ever. (Available with optional Custom Interior only)
- Opt for the high-output Delco-Bose Music System and enjoy sound reproduction you've got to hear to believe. Drive the 1987 Z28 and you'll realize that Camaro can be summarized in two words: exuberant fun.

CAMARO INTERIORS

There are those ergonomic designers who feel that logic cannot coexist with style. Fortunately, the engineers who designed Camaro do not fall among their number.

AN INVITATION TO STYLISH FUNCTION.

There is nothing random about Camaro interiors. The layout works to further the Camaro mission of providing you, the driver, as close to a one-on-one relationship with the road as is possible.

STANDARD INTERIOR FEATURES. Camaro so thoroughly folds you in its environment that the car becomes a powerful extension of self. And that's the idea.

- Fully reclining front bucket seats mold to your shape.
- At hand is instrumentation with easily readable analog gauges and controls that are large, logical and easily accessible.
- AM push-button radio with dual front speakers provides traveling companionship. (May be deleted for credit.)
- Headlamp-on reminder helps prevent accidental battery drain.
- Side-window defoggers keep glass surfaces clear.
- Hinged cover storage compartment is in the console.
- Carpeted lower door panels, stowage well and rear-end panel provide classy surroundings.
- Fold-down rear seat and wide-opening rear hatch provide access to up to 31 cu. ft. of luggage space.

OPTIONAL CUSTOM INTERIOR (STANDARD IN LT).

The optional Custom Interior makes Camaro even more inviting. Features include:

- Luxurious Custom Cloth low-back front bucket seats with adjustable head restraints.
- Carpeted cowl kick pads and console sidewall.

DESIGN THE ULTIMATE CAMARO WITH THE FOLLOWING OPTIONS.

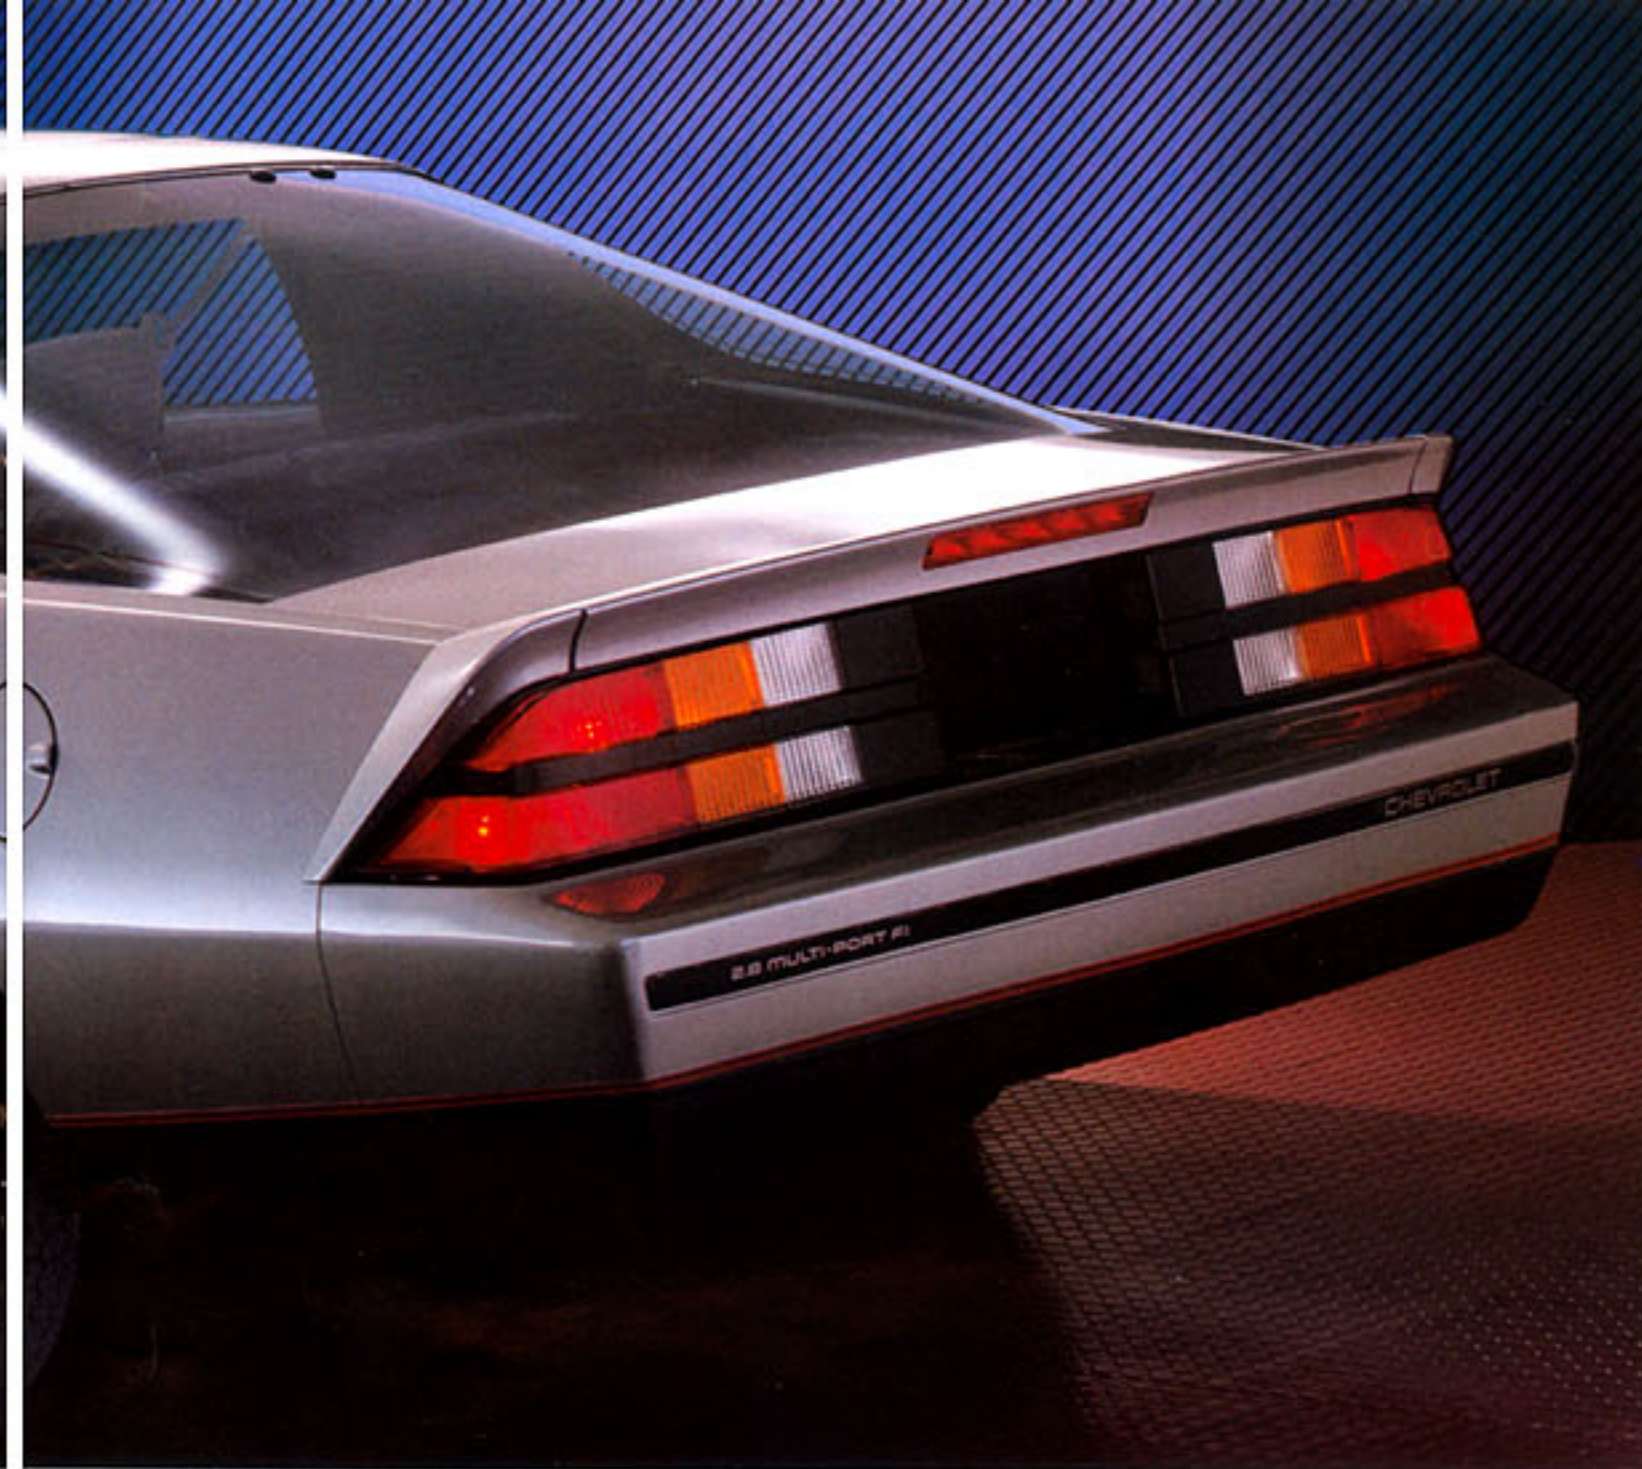

- Glove-leather interior seating surfaces give your Camaro a personal feel. (Available with Custom Interior only.)
- High-output Delco-Bose stereo system.
- Air conditioning keeps Camaro summers cool.
- Comfortilt steering wheel adjusts to your driving posture.
- Six-way power driver's seat.

Optional leather
interior in Red.

Optional Custom
Interior in Gray
cloth.

Camaro LT in Silver with optional aluminum wheels, T-top roof and rear spoiler.

CAMARO

LT

The new 1987 LT combines the finest riding environment with the driving excitement that is uniquely Camaro.

LT, THE GRAND TOURING CAMARO.

A subtle fusion of Z28-inspired performance, sexy Camaro style and added creature comforts make LT the grand touring Camaro.

LT features include:

- Air conditioning.
- Custom Cloth interior trim.
- Electronically tuned AM/FM stereo with Seek and Scan, digital clock and Extended Range Sound (ERS™) system.

- Auxiliary lighting.
- Specific full wheel covers.
- Tinted glass.
- Comfortilt steering wheel.

LT PERFORMANCE.

- Standard 2.8 Liter V6 with Multi-Port Fuel Injection and 5-speed manual transmission.
- Optional 4-barrel 5.0 Liter V8 teamed with an optional 4-speed automatic with overdrive.

LT HANDLING.

- A suspension system with front and rear stabilizer bars helps deliver exceptional ride quality.
- P205/70R-14 all-season steel-belted radial tires on 14" x 7" black steel wheels with full wheel covers are the standard LT combination. Distinctive aluminum wheels are optional.

LT STYLE.

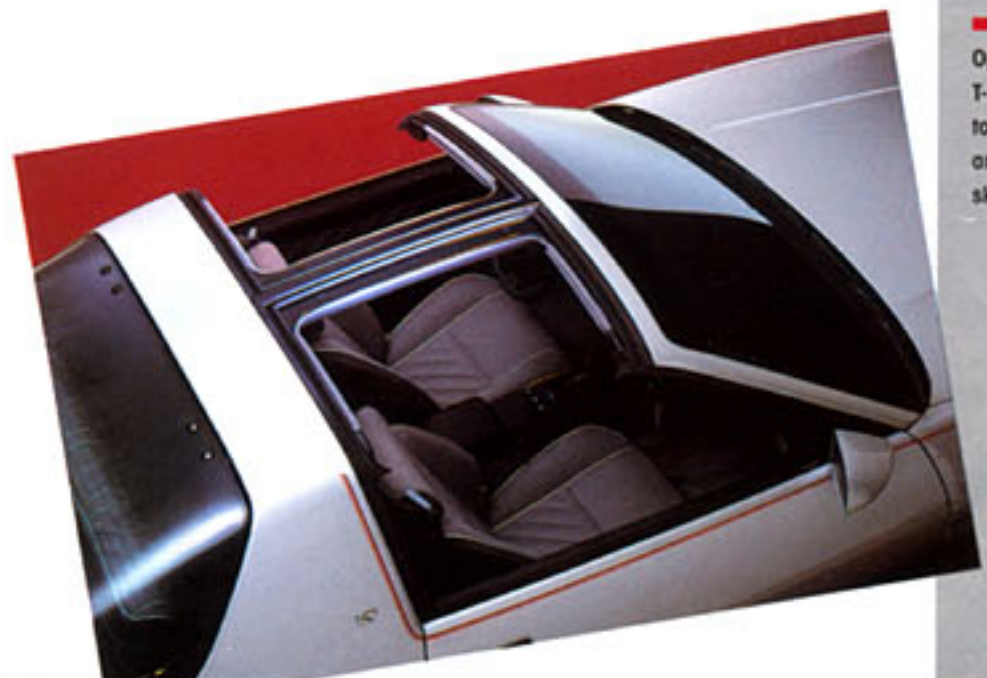

- Specific upper and lower body striping and lower

- accent paint.
- Dual body-color Sport mirrors; left remote, right manual.
- Black or gray metallic headlamp openings, depending on exterior color.
- Tricolor taillights with black accents.
- LT nameplates.

LT COMFORT.

- Camaro Custom Interior package features: low-back cloth reclining front bucket seats with fold-down rear seat, carpeted cowl kick pods and console sidewall.
- Deluxe luggage compartment trim.
- Locking rear floor storage to protect valuables.
- Auxiliary lighting.

The sensual appeal of the new Camaro LT is undeniable—it's one smooth operator.

Optional locking T-tops open Camaro to sun and wind and the thrill of the sky streaming by.

CAMARO

SPORT COUPE

The 1987 Sport Coupe—the pure Camaro experience.

Sport Coupe is Camaro at its most elemental. Minus the stickers. Less the ornaments. Without any tinsel.

Yet it is everything that matters—a classic design and a whole lot of Chevy Thunder.

SPORT COUPE POWER.

■ The standard 2.8 Liter V6 with Multi-Port Fuel Injection is linked to a 5-speed manual gearbox with 3.42:1 performance axle ratio.

■ Get intense with the optional 4-barrel 5.0 Liter V8 5-speed power team. Or opt for the 4-speed automatic overdrive.

SPORT COUPE HANDLING.

■ Sport suspension features shocks, springs and other components fine-tuned to the high-performance tires. Standard.

■ Wide, grippy P215/65R-15 Eagle GT radials on new 15" x 7" Rally Wheels with trim rings eat corners the way you expect a Camaro to. Standard.

■ Power steering. Standard.

■ Power front disc/rear drum brakes. Standard.

SPORT COUPE STYLE.

■ A throaty sport-tone exhaust system.

■ New exterior touches such as a chip-resistant lower body stripe and accent paint application give the Sport Coupe fresh appeal.

■ Hinged-cover storage compartment in the console.

■ Dual Sport mirrors in black; left remote, right manual.

■ Black windshield reveal molding.

■ Concealed black windshield wipers.

SPORT COUPE COMFORT.

■ Vinyl reclining bucket seats and fold-down rear seat.

■ AM push-button radio with dual front speakers and fixed-mast antenna. (May be deleted for credit.)

■ Headlamp-on reminder.

■ Carpeted floor, stowage well and rear-end panel.

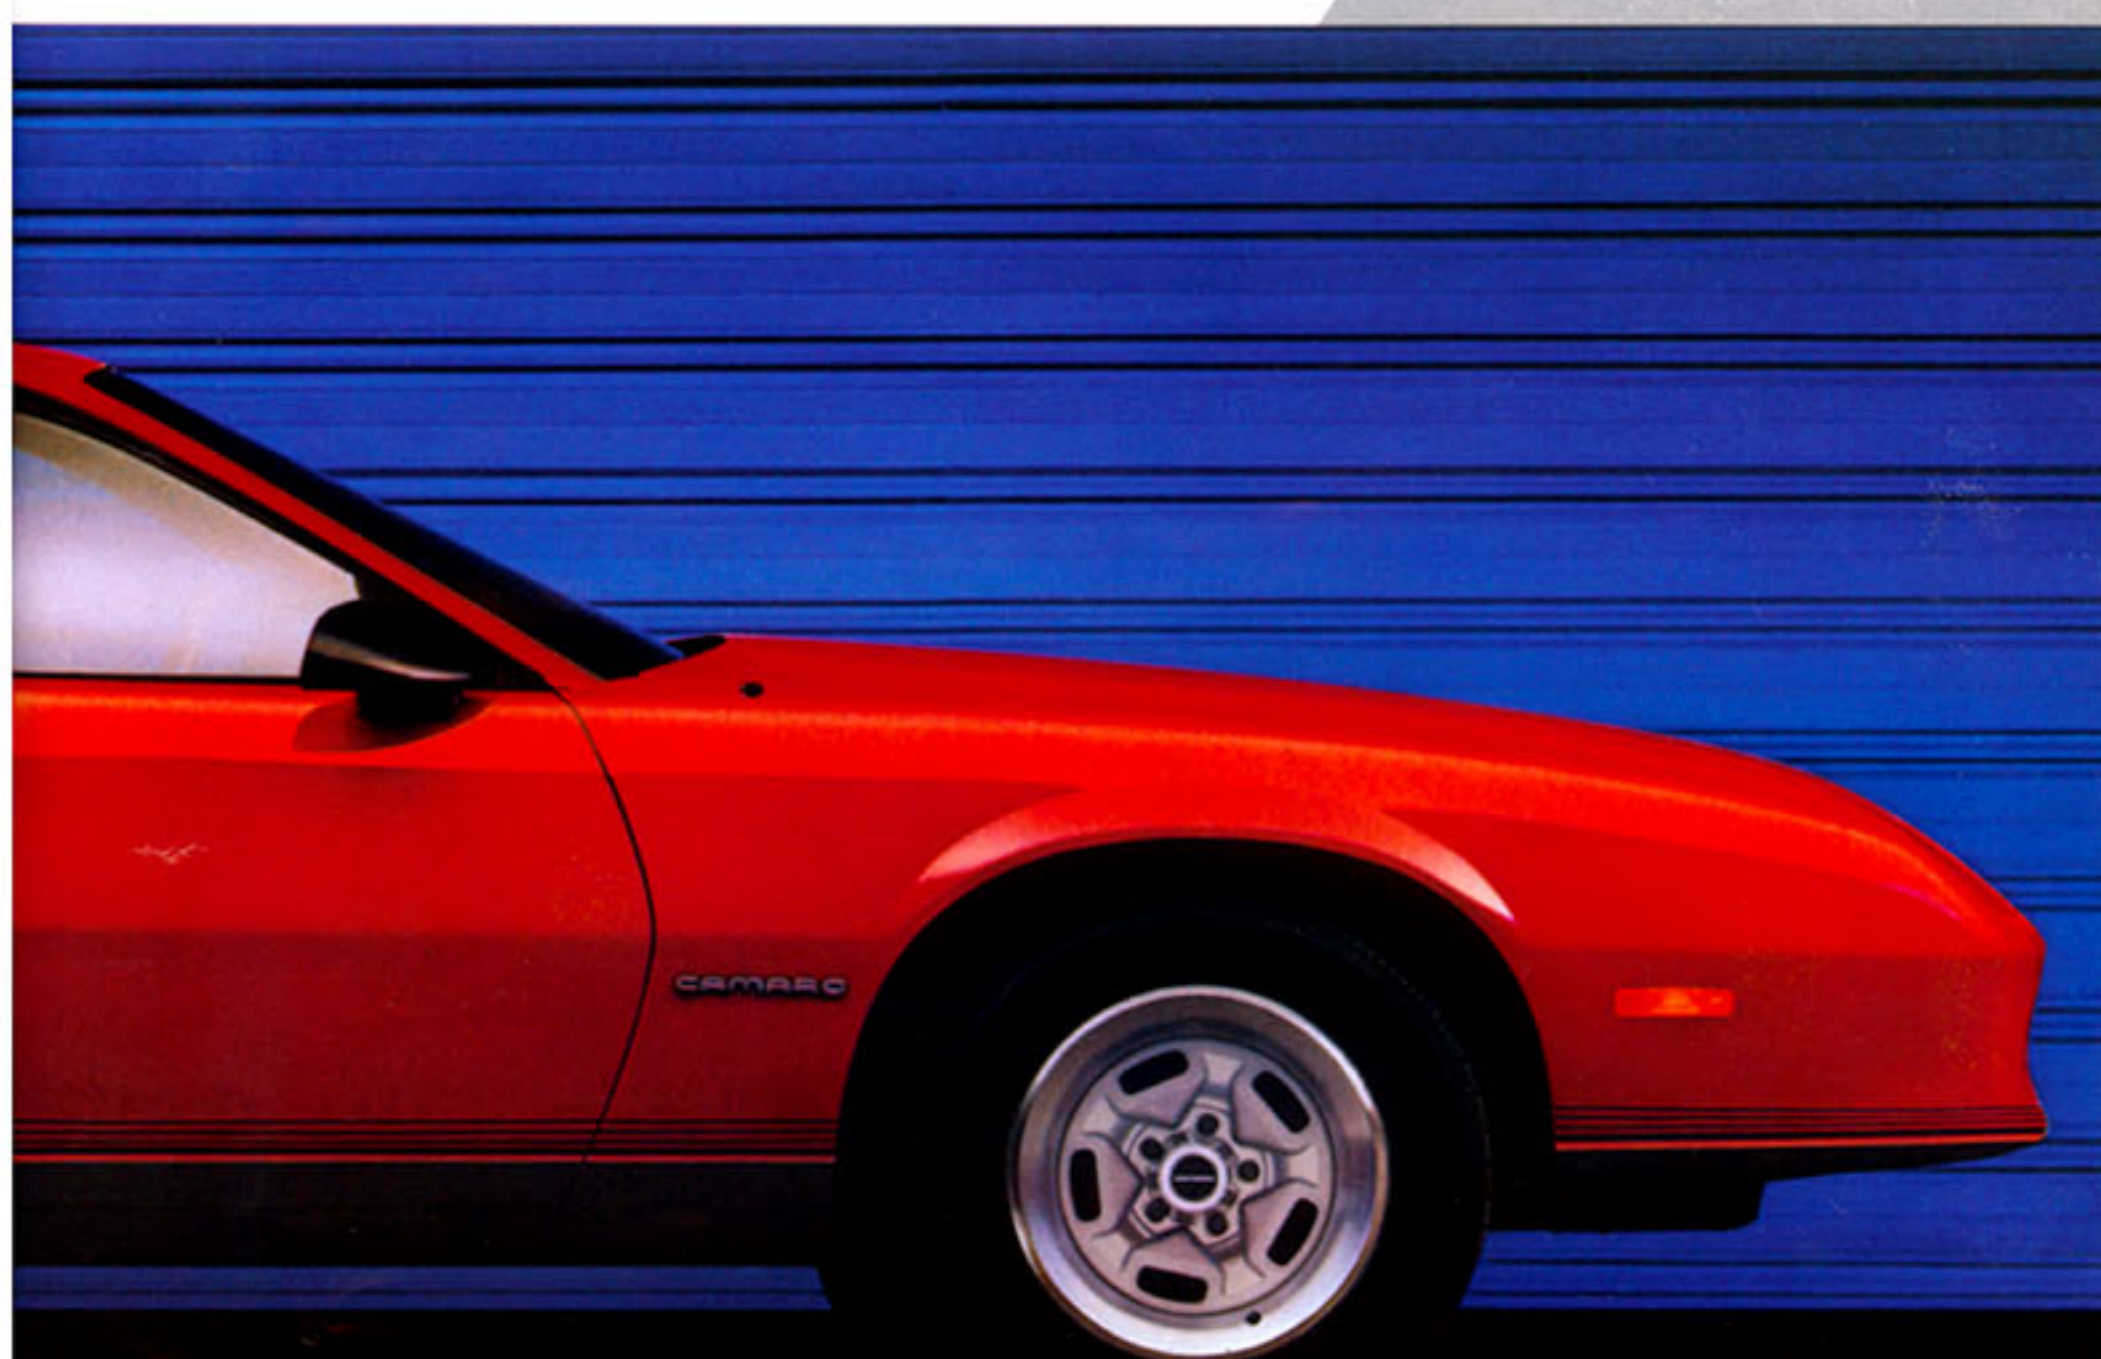

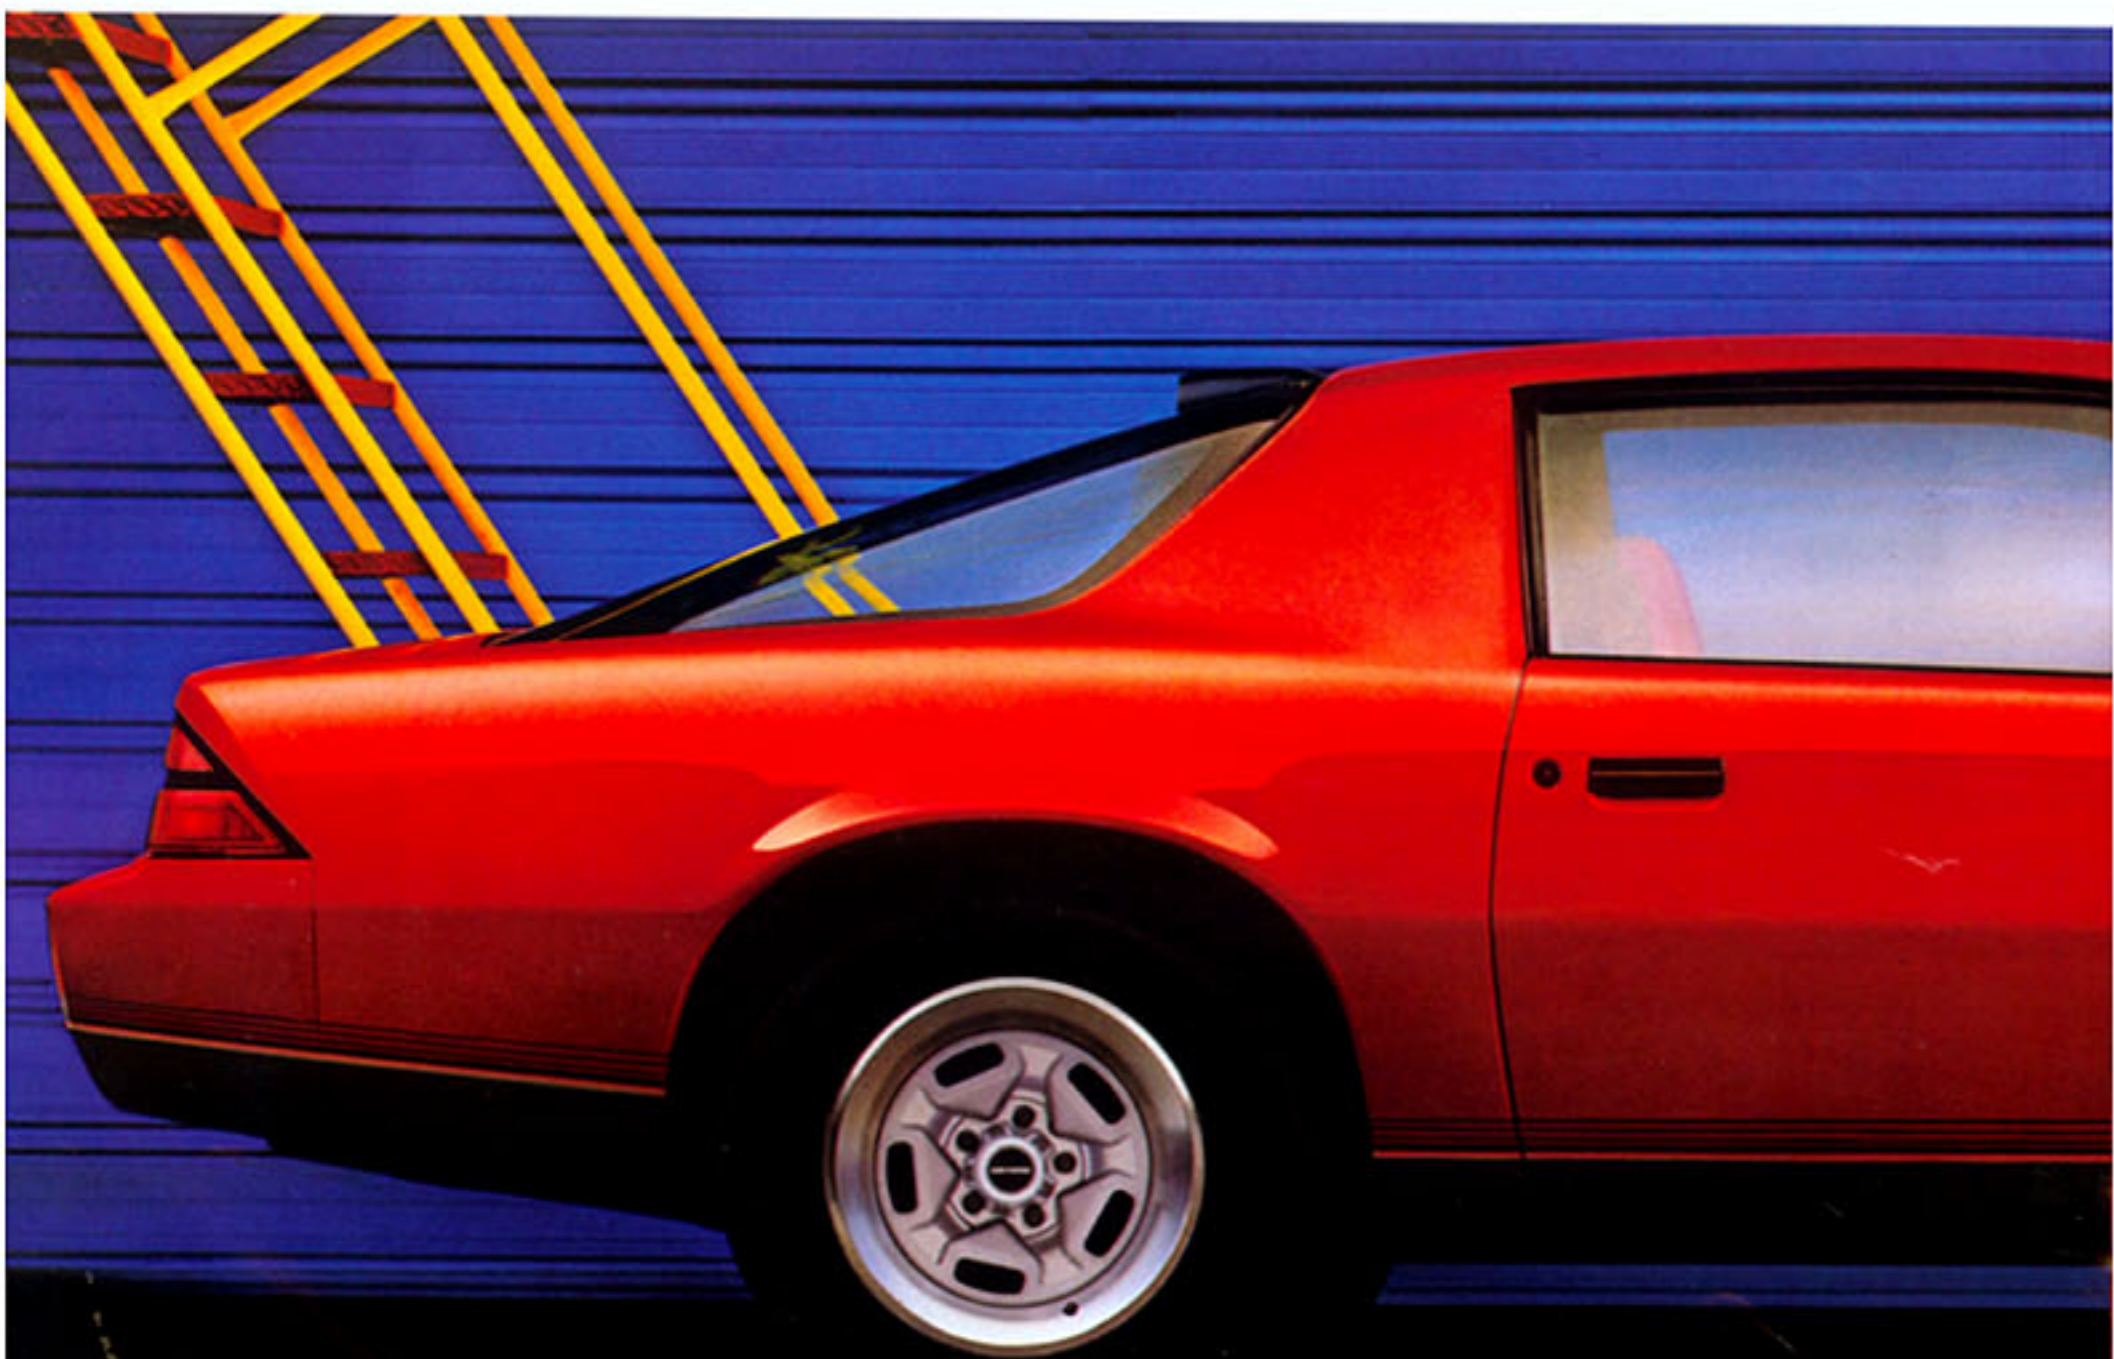

■ Simulated suede windshield pillar and garnish-molding finish.

Oh, and did we forget to mention that Sport Coupe is also extremely affordable?

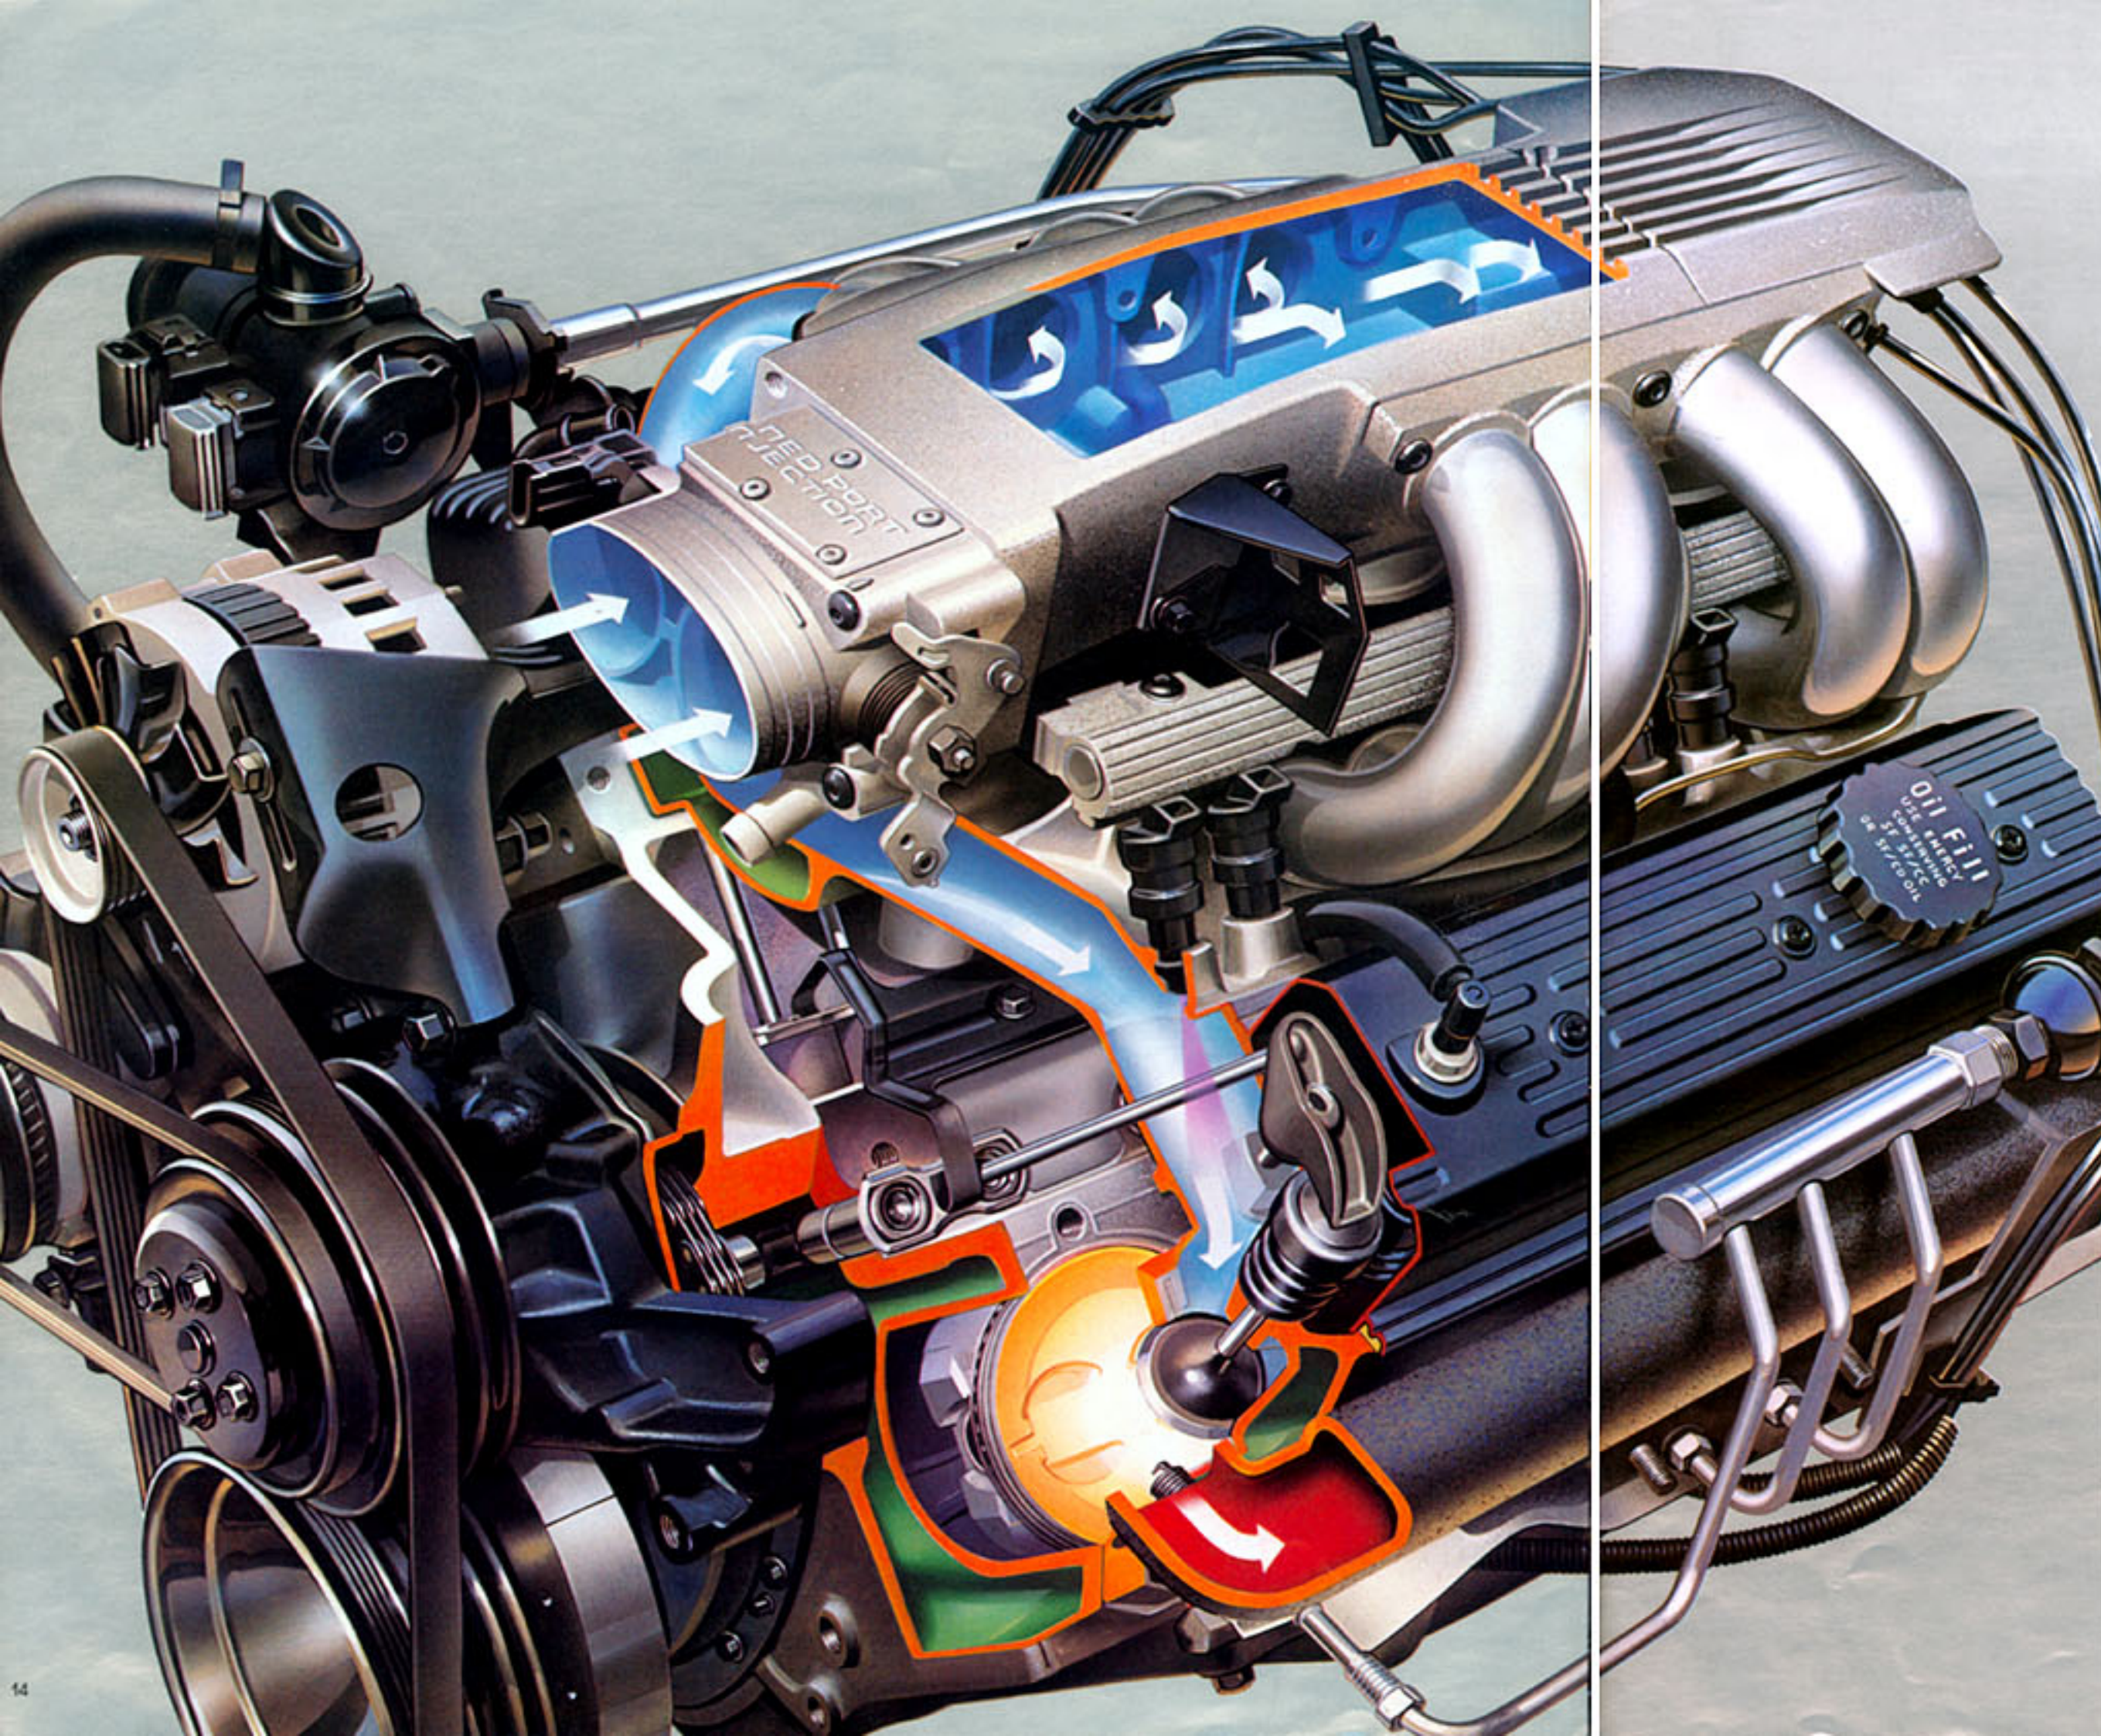

Open the sweeping rear hatch, fold down the optional split-folding rear seat and make use of another of Camaro's many virtues—up to 31 cubic feet of cargo space.

Camaro Sport Coupe in Bright Red.

CAMARO

POWER TEAMS

The auto industry is abuzz over an advanced fuel management system that is quickly becoming a modern day performance legend: port fuel injection.

With the incorporation of this technology, Camaro's 2.8 Liter V6 with MFI and 5.0 Liter V8 with TPI offer some of the most advanced fuel injection componentry in the world.

THE 2.8L V6 ENGINE WITH MFI.

The 2.8 Liter V6 with Multi-Port Fuel Injection, standard on Sport Coupe and LT, is designed to give Camaro exciting performance.

- Integrally tuned runners carry air from the aluminum intake plenum atop the engine to each of the individual cylinder ports.
- Here gasoline and air are combined in a precisely metered ratio determined by an on-board computer.
- Because the length of each runner is millimetrically determined, the air pulses are, in effect, timed to arrive at precisely the right moment in the combustion cycle to increase volumetric efficiency.
- Horsepower is 135 at 4900 RPM.

THE 5.0L V8 ENGINE WITH TPI. The 5.0 Liter V8 with Tuned-Port Fuel Injection is optional for IROC-Z and Z28. (Standard: 5.0 Liter 4-Bbl. V8.) This available engine teams the legendary small-block V8 with joint GM-Bosch fuel injection technology in a design that provides impressive horsepower and torque across the power band and in any gear.

- Tube-like runners girdle the plenum to ram precisely controlled volumes of pressurized air into eight cylinder inlet ports.

■ Meanwhile, exact amounts of fuel are delivered via a fuel rail system and sprayed into the ports through eight Bosch injectors.

■ Precision is the key to this technology and is effected through an electronic control module that continually factors into its calculations measurements of air mass, altitude, ambient temperature, barometric pressure and humidity, and then adjusts the injector's pulse duration with computer speed and accuracy.

BENEFITS DERIVED FROM PORT FUEL INJECTION.

- Instant throttle response.
- Dependable operation. The only moving parts are the throttle plate, idle controls and the electronic fuel injectors. All else is solid-state circuitry sealed from dirt and moisture.
- Dependable hot starts without vapor-lock delays.
- Self-adjusting idle to help prevent stalling when cold and fuel waste when warm.
- Automatic idle increase when accessories are engaged to help maintain battery charge.
- Reduced maintenance (no choke, carburetor, accelerator pump or needle valve adjustment required).
- Self-pressurizing system provides easy starts after refueling without priming the system if you run out of gas.
- Positive fuel shutoff helps prevent "run-on" after engine is switched off.

Whichever engine you choose, a simple turn of the wrist is all it takes to roll out the thunder—Chevy Thunder, that is.

A WORD ABOUT ENGINES. Chevrolets are equipped with engines produced at facilities operated by GM car groups, subsidiaries or affiliated companies worldwide.

The 5.0L V8 with TPI, at left.

The 2.8L V6 with MFI, at right.

CAMARO

OPTIONS

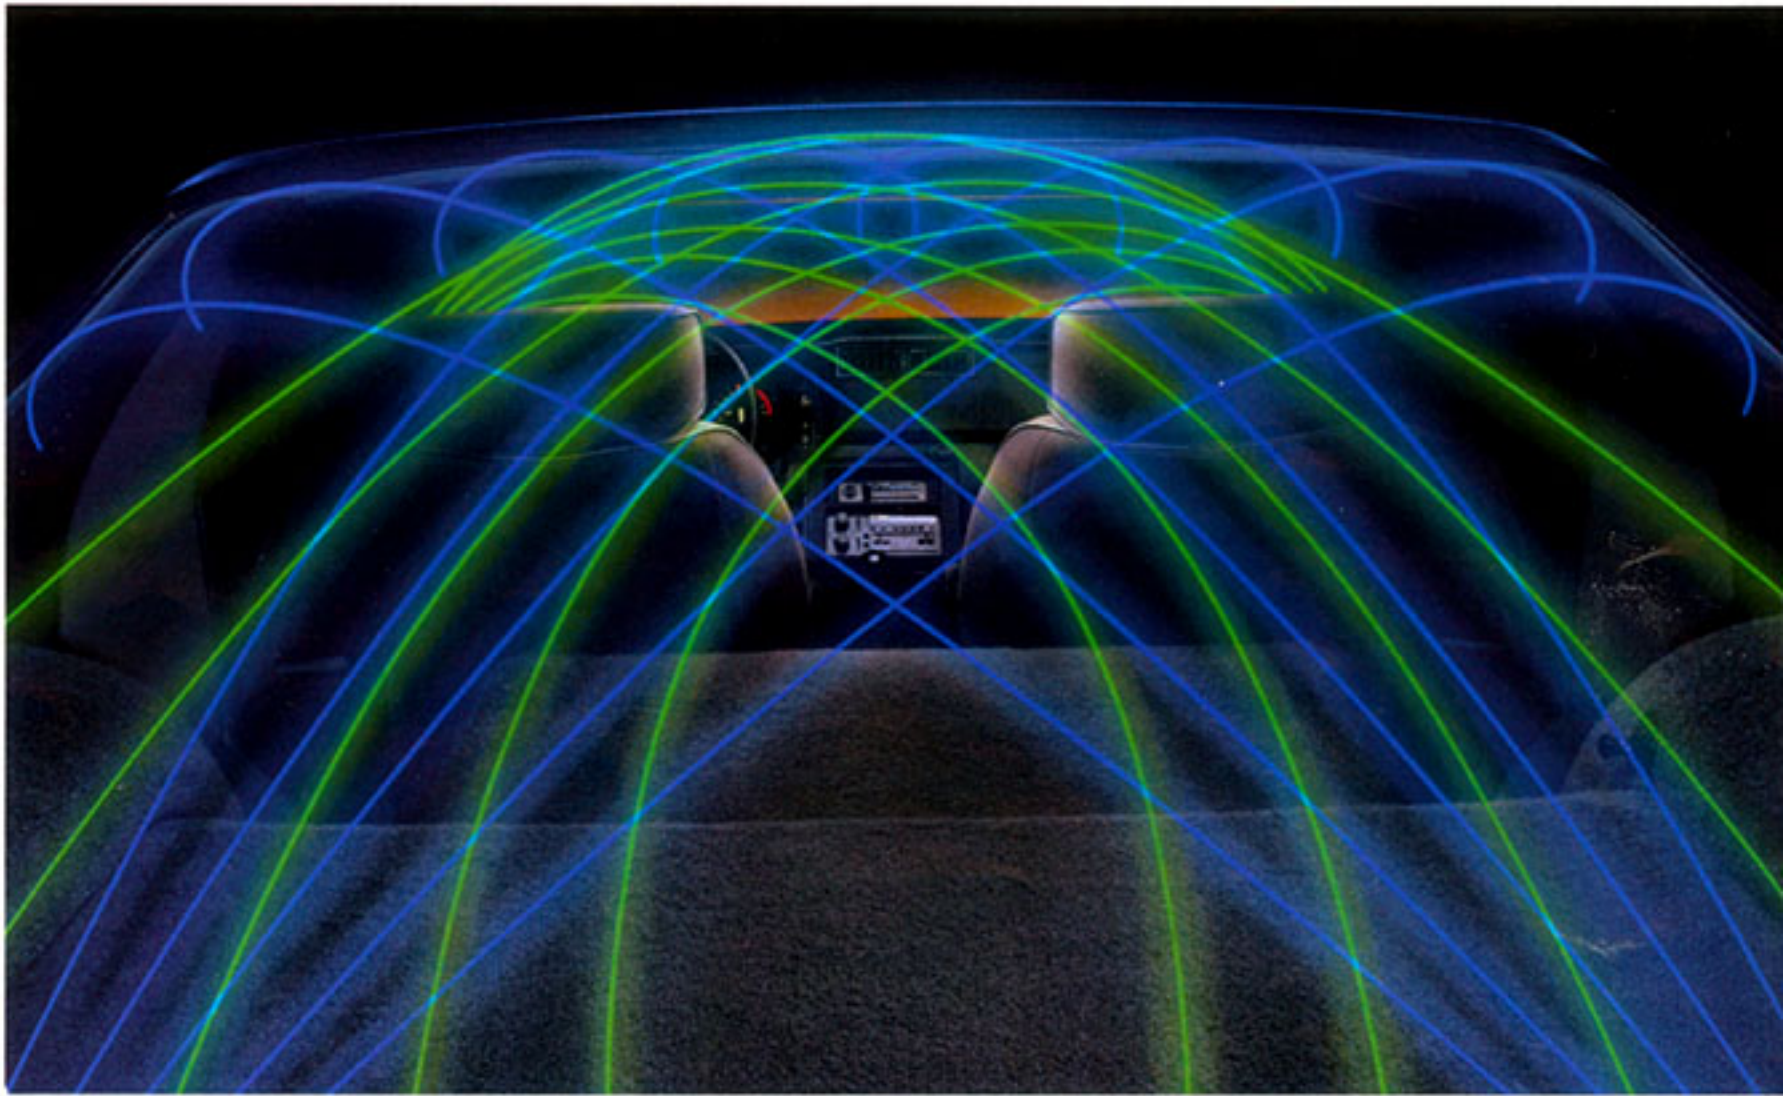

Electronic speed control with resume speed.

Automatic day/night mirror.

Rear window louvers.

Delco-Bose, one of the world's most sophisticated sound systems, is now available in the 1987 Camaro. This wraparound music system is tuned precisely to the interior environment of Camaro. Componentry includes an AM/FM receiver with Seek and Scan, cassette player and digital clock plus four bass reflex amplifier/speaker enclosures designed specifically for this car. Each speaker has its own built-in equalizer network. From Delco-Bose, a new dimension is added to the Camaro experience.

Electric outside rearview mirror controls.

Power door locks.

Reclining front buckets, standard.

Electronically tuned AM/FM stereo radio with Seek and Scan, stereo cassette with Search and Repeat, graphic equalizer, Extended Range Sound System and digital clock.

For ease of ordering, many Camaro options are now grouped into packages. Once you've selected the Camaro you want, study the option packages available for that model. Then choose the one that's right for you.

Standard Z28/Sport Coupe P215/65R-15 Eagle GT radial tire.

STANDARD FEATURES. CAMARO SPORT COUPE.

■ 2.8 Liter V6 engine with MFI

■ Quad rectangular headlamps

■ Black windshield reveal moldings

■ Black concealed windshield wipers

■ 15" x 7" styled steel Rally Wheels with trim rings

■ P215/65R-15 blackwall steel-belted Eagle GT radial tires

■ Dual Sport mirrors in black (left remote, right manual)

■ Special accent tape stripe

■ Chip-resistant gray or black lower body accent

■ Automatic hatch power "pull-down" latch

■ Vinyl reclining bucket seats

■ Parking lamp, amber lenses

■ Power steering

■ Power front disc/rear drum brake system

■ Headlamp-on warning

■ AM radio*

■ Base-coat/clear-coat paint process

■ Inside hood release

■ Headlamp opening painted black or gray.

*May be deleted for credit.

CAMARO LT.
In addition to or replacing standard Camaro equipment:

■ Auxiliary lighting package

■ Body upper and lower stripes and lower accent paint

■ Custom Interior

■ 14" x 7" steel wheels with full wheel covers

■ P205/70R-14 blackwall steel-belted radial tires

■ Dual body color Sport mirrors; left remote, right manual

■ Tricolor taillight with black accents

■ LT nameplates
■ Front and rear stabilizer bars
■ Black or gray metallic headlamp openings.

CAMARO Z28.

In addition to or replacing standard Camaro equipment:

■ 5.0 Liter 4-8bl. V8 engine

■ 15" x 7" aluminum wheels in silver, gold or charcoal

■ P215/65R-15 white-outline steel-belted Eagle GT radial tires

■ Specific wide-accent striping

■ Accent color on lower body

■ Rear hatch-lid spoiler with integral high-mounted stop lamp

■ Front wraparound lower air dam

■ Rocker panel, fender, door and quarter "ground-effects" extensions

■ AM radio with integral digital clock*

■ Simulated hood louvers

■ Unique front fascia and black grille

■ Special Instrumentation with tachometer

■ Leather-wrapped steering wheel

■ Sport suspension

■ Visor vanity mirror.

CAMARO IROC-Z.

In addition to or replacing standard Camaro Z28 equipment:

■ 16" x 8" aluminum wheels in argent or gold

■ P245/50VR-16 black-letter steel-belted radial tires

■ Special performance ride and handling suspension

■ Halogen fog lamps

■ Specific striping and color-coordinated IROC-Z door decals

■ Camaro gold or silver letters on grille.

*May be deleted for credit.

THEFT DETERRENCE

■ Audible reminder for ignition key removal ■ Theft-deterrent steering column lock ■ Visible vehicle identification number.

IMPORTANT: A WORD ABOUT THIS CATALOG. We have tried to make this catalog as comprehensive and factual as possible. However, since the time of printing, some of the information may have been updated. Also, some of the equipment shown or described throughout this catalog is available at extra cost. Your dealer has details and, before ordering, you should ask him to bring you up to date. The right is reserved to make changes at any time, without notice, in prices, colors, materials, equipment, specifications and models. Check with your Chevrolet dealer for complete information.

A WORD ABOUT ASSEMBLY, COMPONENTS AND OPTIONAL EQUIPMENT IN THESE CHEVROLETS. The Chevrolets described in this catalog are assembled at facilities operated by General Motors or GM of Canada. These vehicles incorporate thousands of different components produced by car groups and various component divisions of General Motors and by various suppliers worldwide to General Motors. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety and fuel economy requirements, or for other reasons, to produce Chevrolet products with different components or differently sourced components than initially scheduled. All such components have been approved for use in Chevrolet products and will provide the quality performance associated with the Chevrolet name.

With respect to extra-cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your car is built. Your dealer receives advice regarding current availability of options. You may ask your dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest that you verify that your car includes the optional equipment you ordered or, if there are changes, that they are acceptable to you.

GM PROTECTION PLAN. An option that offers service protection in addition to that provided by GM's new-vehicle limited warranty. Coverage available only in the U.S. and Canada. Ask your dealer about it.

A WORD ABOUT UPDATED SERVICE INFORMATION. Chevrolet regularly sends its dealers useful service bulletins about Chevrolet products. Chevrolet monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll-free 1-800-551-4123.

LET'S GET IT TOGETHER...BUCKLE UP.

At your Chevy dealer's, financing or leasing your new Camaro can be as easy as GMAC.

THE HEARTBEAT OF AMERICA. TODAY'S CHEVROLET.
