

FIERO

PONTIAC 1986

Fiero 2116

PONTIAC FIERO SE

The look is like nothing else on the road. The attitude—even more aggressive than when it first stormed onto the automotive scene. This is Pontiac Fiero SE for 1986—an extraordinary driving experience.

Fiero SE's styling and performance refinements for 1986 include black body accents, 14" hi-tech aluminum wheels and a Y99 rally tuned suspension. Helping complete the SE look is a slippery aero nose plus special ground effect side skirts that help master the wind for optimum aerodynamics.

PONTIAC FIERO

For strength without excess weight. Fiero uses a unique "space frame" design covered with Enduraflex™ body panels that resist dents and will never rust. And for pure aesthetics, Fiero adds gold to its '86 lineup. (Shown on previous page. See your dealer for colour availability).

A true driver's environment greets you upon entering any 1986 Fiero—from the Coupe to the SE. (Fiero SE interior shown.) Standard on all models is a 5-speed gearbox, rack and pinion steering, plus a fully independent suspension. Fiero is powered by a spirited 2.5 litre 4-cylinder engine—the famed "Tech IV." (A multi-port fuel-injected 2.8 litre V6 is available on Fiero SE.)

Perhaps no car in the world deserves to be called "one of a kind" more than Pontiac Fiero. Its engine is mounted behind the driver for superb weight distribution and balance. Its race car derived "space frame" design gives Fiero's structure strength without excess weight. And the process that transforms these basic components into a functioning automobile is like none other in the world.

Fiero's Enduraflex™ body panels are in themselves unique. They actually resist dents (left), and they will never rust!

1986 FIERO FACTS & FIGURES

Select the combination of "extras" that make your Pontiac uniquely yours from the long list of standard and available features, some of which are given below. Ask your dealer about group packages and the many other features not indicated below. Your dealer will also advise you of the availability of the various items on the model of your choice.

A word about engines

These Pontiacs are equipped with GM-built engines produced by various divisions and affiliates of General Motors Corporation and GM of Canada.

Order Code	Displacement	Carb. bbl	Cyl.	V.I.N.	Source	Transmission
LR8	2.5 litre (151 CID)	EFI	4	R	(1)	5-speed Manual O.D. Automatic
L44	2.8 litre (173 CID)	MFI	V6	9	(2)	4-speed Manual Automatic

Produced by (1) Pontiac Division U.S.A. (2) Chevrolet Division U.S.A.

†The V.I.N. (Vehicle Identification Number) Engine Code is the eighth entry (letter or numeral) from the left on the vehicle serial number plate. The vehicle serial number plate is located on the top portion of the driver's side of the instrument panel and can be viewed from the exterior of the car by looking through the windshield.

ACCIDENT AVOIDANCE • Side marker lights and reflectors • Parking lamps that illuminate with headlamps • Four-way hazard warning flasher • Back-up lights • High-mounted stop lamps • Directional signal control (and lane change feature—except Firefly) • Windshield defroster, washer and dual speed wipers • Inside rearview mirror with vinyl-bonded glass • Outside left rearview mirror • Brake system with dual master cylinder and warning light • Starter safety switch • Dual action hood latch system (except rear opening Fiero) • Low glare finish on instrument panel top, inside windshield mouldings, wiper arms/blades, metallic steering wheel surfaces • Illuminated heater and defroster controls • Illuminated windshield wiper and washer controls (if on I/P) • Tires with built-in tread-wear indicators • Safety road wheel rims • Audible brake lining wear indicators, all disc brakes • Self-adjusting brake feature • Pressure relief fuel cap (pressure relief fuel system, Firebird).

THEFT DETERRENCE • Audible reminder for ignition key removal • Theft deterrent steering column lock • Visible vehicle identification number • Remote inside hood release • Theft deterrent key system (separate key for ignition), except Firefly.

A Word About This Catalogue

The vehicles described in this catalogue incorporate components produced by General Motors of Canada Limited and related companies and suppliers. During manufacturing, different components than initially scheduled may be used.

All illustrations and specifications contained in this catalogue are based on the latest product information at time of publication approval. The right is reserved to make changes at any time, without notice, in prices, colours, materials, equipment, specifications and models, and to discontinue models. Some of the equipment shown or described throughout this catalogue is available at extra cost or can only be ordered in conjunction with the other optional equipment. Some options may not be available when your vehicle is built. Check with your dealer for complete information.
